# HOW TO STAY ALIVE IN UKRAINE

Most of the people in Ukraine don't know foreign languages. Especially elder people. So if you want to ask someone, **PREPARE FOR MISUNDERSTANDING**. So it's better to know some common phrases in Ukrainian (take a look in our phrase book).

**DRINKING OF ALCOHOL AND SMOKING IN PUBLIC PLACES IS FORBIDDEN**. The rule is not followed completely, but it may cause problems with police and possible penalties.

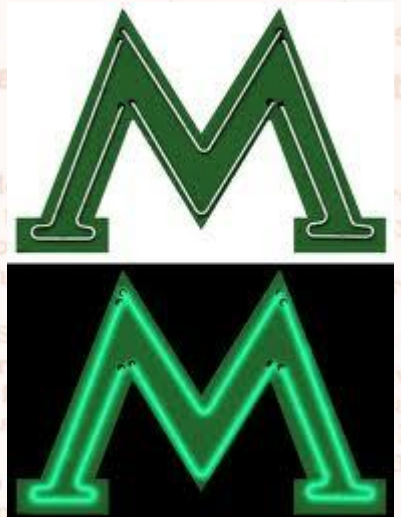

Ukrainian POLICE IS **NOT** AN EXAMPLE OF HONOR AND POLITENESS. So it's better not to deal with them. Mostly, policemen don't speak English and usually are not solving your problems but initiate them. So don't be surprised if they'll ask you for a bribe, and it's better to pay.

**AVOID DRINKING** water from the tap, better buy some mineral water in shop, it will surely save your health.

**MOST OF THE BIG SUPERMARKETS ARE OPENED 24/7.**

**SUBWAY AND MUNICIPAL TRANSPORT WORKS FROM 6AM TO 12PM**. And is much cheaper than a taxi (taxi drivers will surely increase the price for foreign passengers).

Kiev is a generally open and friendly city and stays lively until at least 11PM in most districts. You can be safe here if you follow common rules of behavior which are similar in all big cities!

### **Suggestion for additional safety during your visit to Kyiv**

- I. **DON'T** walk along dark streets in the late night;
- II. **DON'T** visit apartments of people you've just met, even if they are ;
- III. **DON'T** go with anyone you've just met far from where you are at the moment;
- IV. **DON'T** get into cars of unknown people even if they persuade you to do this;
- V. **DON'T** invite people that you have just met to your apartment.
- VI. **DON'T** expect sex for free on a first date, Even if you've already paid for dinner, be ready to get another bill.

Robberies and scams on tourists are fairly common in Kiev. The best approach is to be extremely selfish and ignore anyone who approaches you. **TAKE CARE OF YOUR POCKETS!**

In subway **ALWAYS** keep your wealth securely zipped as close to your skin as possible. Thieves may be highly organized.

# Food

In general, it is not so expensive to eat in Kiev, comparing to EU prices. There's a differentiation of prices in restaurants depending on their placement - in city center they are much

more expensive. It doesn't affect network fast-foods as a McDonalds, McFoxy and others. Our McDonalds is indeed cheaper than European ones: Hamburger - 0.5EUR, iBigMac - 2.5EUR, Latte - 1.3EUR.

But if you're sick of fast food and want to try some traditional Ukrainian food you'd better go to some Ukrainian restaurants -

"Пузата Хама"(Pyzata Hata) or "Домашня Кухня"(Domashnja Kuhnja). There you can taste some traditional dishes: Borsch (kind of soup) or Varenyki (kind of dumpling) and much more. We have some drinks available in Ukraine only: Kvas (non-alcoholic drink made of fermented bread), compote (drink made of boiled fruits and berries) and Uzvar (dried fruits solutions).

Beer is relatively cheap and is sold everywhere in 0.3-0.5-0.75-1-2L. bottles.

BE CAREFUL with the food in a streets, especially with **kebabs** - mostly they're made without any sanitary standards and sometimes are made of cats.

# Supermarkets

The leading supermarket chains are "МЕТАМАРКЕТ\* (MEGAMARKET) "ФУРШЕТ\* (FURSHET)", "ВЕЛИКА КИШЕНЯ" (VELYKA KYSHENYA) and "СІЛЬПО\* (SIL'PO), which are conveniently located to the city centre. The nearest to the place where you will live are " MegaMarket" and "Sil'po".

In supermarkets you can also find some products available in Ukraine. Do not forget to try "КИЇВСЬКИЙ ТОРТ\* (KYIVSKIJ TORT) - is a tasty thing you should eat in Kiev if you love cakes. DARK RYE BREAD - is very popular in Ukraine so don't miss a chance to try it. "ПРЯЖАНКА\* (Ryazhanka - kind of ukrainian yogurt). "КВАС\* (KVAS) might be also an interesting drink to taste.

# HOW TO GET IN?

## By plane:

Search for cheap tickets here :

[www.wizzair.com](http://www.wizzair.com)

[www.skyscanner.net](http://www.skyscanner.net)

The Boryspil International Airport (KBP) is about 1.5 hours from the city center. The simplest way to get to the city center is to take a mini bus; we call it "**marshrutka**".

We recommend using the comfortable and convenient

'SkyBus' buses that travel from the Boryspil to Kyiv and back every 20-30 minutes 24 hours a day. Late at night (between 23:00 and 6:00) the bus runs about every hour. Fare is around 30 UAH (3 Euro) and you can book it in advance <http://skybus.kiev.ua/> The total driving time is from 50 minutes if there's no traffic to 1 hour 30 minutes in bad traffic. The bus waits directly in front of the right exit of the airport terminal, so it's easy to find. Buses have a baggage compartment.

## Kyiv Metro Map

You should remember that meeting point is near the exit from the underground station "Політехнічний Інститут" (**POLYTECHNICHNY INSTYTUT**). From the airport you can get to the underground station "**Vokzalna**" You need to find a bus "**SkyBus**". The bus stop is near the exit from the airport Terminal B, so you can easily find it (ticket price is around 30 UAH ~3 euro, at airport you can exchange some cash money). The last bus stop is in front of railway station "Південний" (**PIVDENNYI**) and a little bit left you'll find a tunnel that leads to the station "Вокзальна" (**Vokzalna**). To get into the underground you need to buy a special token in cash deck. It costs 2 UAH=0.2 euro. After this trip just call for some org's and relax preparing for awesome course!
